GLASSWING  
VENTURES

“We’re excited to offer Ridgeway Partner’s search services to Glasswing’s portfolio companies. In addition to having deep expertise in enterprise technology and artificial intelligence, Ridgeway is uniquely positioned to identify and place this hard-to-reach talent.”

*Emma Marty, Director of Platform & Marketing at Glasswing Ventures*

### **Glasswing Ventures**

Glasswing Ventures is a leading venture capital firm dedicated to investing in the next generation of AI and frontier technology startups that enable the rise of the intelligent enterprise. Founded in 2016 by

Rudina Seseri and Rick Grinnell and joined by Sarah Fay, Glasswing Ventures is built on their deep experience and successful track-records in the high-tech and venture capital industries. Headquartered in Boston, the company funds visionary entrepreneurs harnessing the power of AI and frontier technologies to transform markets and revolutionize industries. Portfolio clients include Allure Security, inrupt, Tuono, and Zylotech.
